Hagood's Brigade Infirmary

Feb. 28th, 1865

Sir,

I have the honor to report that during the month of Feb. several important changes have taken place in the Med. Dept. of Hagood's Brigade.

A large proportion of the Command having been captured at Forts Fisher & Anderson, the following Regt. have been consolidated, viz. the 25th, 27th, 11th, and 21st S. C. Vol., leaving a surplus of Medical Officers. Of these Officers as the monthly returns of Med. Officers will show, two are absent on sick leave, and are recommended by Med. Boards for other duty. Two have been captured, Two of those left have been ordered to duty with new commands; and the remaining one (Dr. S. Muller) ordered to report to Genl. Hoke.

In addition to the above changes, Col. Hedrick's Command, composed of the 40th N. C. Regt. and Lt. Col. Taylor's Battalion, formed of fragments of various commands, have been consolidated with Hagood's Brigade, and the Med. Officers ordered to report for duty. There being more than needed, Four have been retained (See Report) and the remainder ordered to report to Genl. Hoke for assignment. Trusting that you

Sir,

The Employees of the Treasury Department here are under the impression that the bill now before Congress only contemplates relief to the Employees in Richmond.

They request me respectfully to ask that any action by Congress be extended to them. The expenses of living here are enormous, and the salaries paid are inadequate to their support.

On the next sheet, I send Prices Current for necessaries of life. By a review of them, you can appreciate the reasonableness of their application.

interest in schools and as to which I should
feel greatly indebted for your friendly offices. -
I believe there is to be a Chief Tax Collec-
tor for South Carolina appointed under the
Tax Bill now pending in Congress. -
My Brother Charles (C. F. Hanchals) is very
anxious to receive the appointment. -

He is now on the Staff of Gen. Seaman near
Friedrichsburg. But he writes me word that
his health is failing under the exposure of
Camp life - And he is ~~the cause of~~ ^{suffering} from an affec-
tion of the kidneys which is now serious and pain-
ful and threatens to become chronic unless he
can pursue a course of remedies which can only
be adopted at home. -

He formerly served as subcollector under Mr. J. D.
Pope (Chief) and understands the duties of the
office thoroughly. - Mr. Pope the former Collec-
tor informs ^{me} that he does not desire and cannot
accept the appointment and he endorses my
Brother Charles' application for the office entirely;
and authorizes me to say that from the specimens
of his work which came under his observation,
the Secretary of the Treasury could not make a better
appointment. -

I have written to Mr. Menzies on the
subject - but I write to beg you also to do
what you can if consistent with your duty.

to promote my Brother's views

I leave pardon the trouble I give you.
But I feel assured you will do what you can
consistently with your duty, and ^{even} if that shall
prove to be little I shall be perfectly satisfied. -
We are all heart anxiously awaiting the expected
movements of the enemy and the development
of his plan of attack. -

Geo. F. W. Hancock,

In chg. Jackson Hq. Co.

Sir -

Jackson Harbor, Feb. 11th

I have the honor to inform you that I acted as Officer of the Day during the past Month from home & that this Harbor is in usual good order.

It is my duty to report that some of the doors in the Warehouse are without pullings or bolts & are constantly standing open thus causing great distress to the Patients. I have called upon the Carpenter two or three times to have bolts placed upon the doors of my own house, but have failed to get him to attend to it. Yesterday I directed my Ward Master to inform him that as Officer of the Day I desired him to repair the doors as soon as practicable. He positively refused to do so, saying that he understood his business as well as the Officer of the Day or his Ward Master.

The language was unbecomingly disrespectful & I deem it proper to report it. Last night at 10 o'clock I entered my Warehouse & found one of the doors forced open by the wind & a Patient who is very ill suffering severely from the cold.

Chin,

In reply to yours of this date, I would respectfully state that there are six sheds about completed, and the Main House for Office, Dispensary, Surgery & Druggist's Room. If the Quarter Masters would supply me with more workmen and a sufficiency of lumber I could have the whole place finished and prepared for five hundred patients within a week, as it is they have only 300 patients at work which I have 3 of them. Repairs have been made for cooking utensils and a brick house, from which I have heard nothing. If I can get the cooking utensils I can have two hundred beds ready by Sunday.

the same recommendation &
I would feel reluctant to
add to your on the subject.
Capt. Hancock is a meritorious

a gentleman of character & of

Wednesday Sept 1, 1852

Friend W. H. Miller

Dear Sir

My kind best, and
application from me, for additional rank, was
forwarded to the War Dpt. fully endorsed by
Maj Genl Pemberton, Genl Suggs, I may add
in the most flattering manner. I would not
further press my application, if there were not
several Lieutenants in this State with the rank
of Major, who are not performing half the work.
It is possible Genl Pemberton may have spoken
to Genl Cooper on his way through the woods,
but knowing your influence, I have apprised these
matters to be overlooked by officers. I write
to request you to do me the favor, to speak to
him, & see what you can do for me.
I do not care anything for the rank of Major,
so far as the additional pay is concerned, but
as acting chief of the State for the Regular District
in the State, it would give me a position I do not
possess, under it more agreeable in every respect.

Yours very truly,
W. H. Miller

Surg Wm A Carrington,
Med Director V.

Sir:

Your order requiring me to report
to Surg F W Hancock. Jackson Hoptl Richmond, has been
received, and I regret to state, owing to my present condition,
I am unable to observe a punctual obedience.
Thinking, officially, it might be required, I enclose
written testimony as to my recent indisposition.
Since the expiration of this leave of absence, and during
it, I've been confined to my room two-thirds of the time,
and am still unable to perform my duties though I've
walked to the Hospital, a few yds distant, and with effort,
performed light-services for the last few days, owing
to sickness of the Surgeon in chg, there being but one
medical officer on duty. As your order came I was
advised to apply for a leave of absence by several medical
friends, and resolved to do so, feeling that relief from duty
and quiet of the country, with proper diet, is indispensably
necessary to my recovery. This is the third summer I've been
similarly affected, and owing to my condition and proximity of
my quarters to my duties alone, I'd be thankful should you
consider a countermanning of the order consistent and
justifiable.

I am Very Respectfully
Yours Obd Servt

Hon. Gen. A. Seddon

Secy. of War

Richmond - Va.

Sir:

By a letter written by order of
yourself to Brig. Gen. A. Rust about the
1st of January 1863, I was informed of my
appointment as Asst. Adj. Gen. J. A. Co. J.
to serve with his brigade, then serving in
the Dep. Miss. & East La. in which capacity
I served until the 18th day of April, when
in pursuance of an order from the War Dep.
through Lt. Gen. Pemberton, Gen.
Rust was transferred to this Dep. and
his command divided between Brig. Gen.
Fitzhman and Brig. Gen. Buford each of
whom already had commands and their
proper staff officers.

Under these circumstances and by order
of Gen. Rust who desired me still to
serve on his staff, with the knowledge and
consent of Lt. Gen. Pemberton, I accom-

him to this side of the River, where he
expected immediately upon his arrival to
be assigned to duty. He has not how-
ever been as yet assigned to duty and is
awaiting orders from the Commandant of this
Dep't.

Though notified of my appointment
in the usual form, I left the East Side
of the Mifs. before my Commission reached
me, which has doubtless miscarried, as
I have been informed that Major Mar-
shall Genl Rust's Comms. appointed
at the same time with myself received
his Commission a short time after I
left Jackson Mifs. for Ark^s.

Will you be pleased to forward my
Commission to me through Lt Genl
Smith and Brig Genl Rust.

I am Sir Very Respectfully

The Officers of this Post & other friends have advised in recommending that Mr. W. W. Harvey (you are at this post) be appointed to a Captaincy & assigned to duty in your Dept. at this Post. He has been discharging the duties of Commissary's Agent at the Post since the month of 1st Mo. during which period I have known him personally as a faithful & efficient Agent, and I think I can safely say an honest & patriotic public servant who has neither pecuniary or special interest by virtue of his position. He has in the general estimation of this community earned for himself ^{such} a character for an honest & patriotic & untiring discharge of his duties that I most cheerfully unite in recommending his promotion as asked by the officers of the Post.

Mr. Harvey is a refugee & one of the earliest refugees from Maryland having sacrificed & left every thing for our cause & his present salary is insufficient to support himself & family

Dear Sir

Left L C Hanes A Q M of the 45th
at West Point a post at Salisbury, which I understand
you are empowered to fill. I take great pleasure in recommending
my Lieut Hanes to your favorable consideration; we have been
together for upwards of two years, and I consider him one of
the most competent and conscientious officers that I have
met with; I would gladly have retained him, as one of my
Aides, had his health fitted him for field service.

I should have been
a letter from your department through John
A. Smith to the Det. of D. C. House of Representatives
and from the role of Quarters on the
the 20th day of October 1862. This letter bears date
the 10th of Dec. 1862. This letter is to be
sent by the person who is carrying it to a
member of a faction and my friend in the
your office. I constituted a search for it in the
War Department, whether it had been sent on the
20th of January 1863 duly executed. I have the grati-
fication of saying that it is in the office of a friend
of that department and I have not submitted a
copy of it, nor forwarded my name as soon as
it could be obtained. I have been obliged to do so
I have been regularly in duty since the date of
my appointment May 1st 1862. My return
has been sent in and acknowledged from
your department to the 30th of Sept. 1862.
I now respectfully ask that it be restored to my office
I am very respectfully your obedient servant

Dear Sir

Received of the 25th

letter informing me that my name is signed for the
army and that I am to accept an office of Major in the
in consequence of having failed to be called up for the
first time at home.

I beg to say that I am
following explanation and reasons why I have failed to return
my bond.

My appointment was not received until
days previous to sailing upon the March to England.

From February, and having been constantly and actively
employed in the field since that time. I have not been
able of attending to executing my bond, and complying with
the usual formalities.

I have been still an anxious &
willing to comply with the law when an opportunity may
present itself.

If the above statement is satisfactory I beg to be
informed of the same, and that I be allowed to duty in my
department.

I am, Sir, very respectfully,
Your obedient servant,

Sir,

It will be very gratifying to myself & this Regt. as well as for the public benefit, if you will reconsider the case of Capt L. James Act. Genl. C. S. A. & allow him now, or at any convenient opportunity, to give his Bond, & assure you that he is a most faithful & efficient officer & that it was owing more to the force of circumstances & the want of opportunity, than from ^{want of} ability & willingness on his part to file his bond according to law - I know he has been too actively employed since his appointment to enable him to see his family, who reside in Lexington N.C. & who are amply sufficient, & therefore trust that time & opportunity will be given him yet to file his bond & retain the office he fills with so much zeal, faithfulness & ability -

Very Respectfully
Your abdt. Servt.

Believing that the public Service would be benefited by Capt James's reinstatement, I earnestly recommend it. As my regiment will continue to do duty till he give an answer to this application

Walter Ga 8 Aug 1863

Sir

Your favour of 17th April accompanying Statement of my accounts, and balance claimed as due by me to the Confederate States, with various vouchers, has been received.

On the 29th August 1862, I forwarded to the Quarter Master Genl. corrected vouchers in every instance where there is an objection, the same objections having previously been made from the Office. Three corrected vouchers I presented on 1st September when they were filed at this time. In several instances I sent my duplicates which were in proper form and it is now impossible for me to supply them again, or send other corrected vouchers. I sent No 16. 23. 40. 41. 42. 43. 44. 45. 46. 47. 48. 49. 50. 51. 52. 53. 54. 55. 56. 57. 58. 59. 60. 61. 62. 63. 64. 65. 66. 67. 68. 69. 70. 71. 72. 73. 74. 75. 76. 77. 78. 79. 80. 81. 82. 83. 84. 85. 86. 87. 88. 89. 90. 91. 92. 93. 94. 95. 96. 97. 98. 99. 100. all signed in full as required. Also No 11. 12. 13. 14. 15. 16. 17. 18. 19. 20. 21. 22. 23. 24. 25. 26. 27. 28. 29. 30. 31. 32. 33. 34. 35. 36. 37. 38. 39. 40. 41. 42. 43. 44. 45. 46. 47. 48. 49. 50. 51. 52. 53. 54. 55. 56. 57. 58. 59. 60. 61. 62. 63. 64. 65. 66. 67. 68. 69. 70. 71. 72. 73. 74. 75. 76. 77. 78. 79. 80. 81. 82. 83. 84. 85. 86. 87. 88. 89. 90. 91. 92. 93. 94. 95. 96. 97. 98. 99. 100. sent duplicates signed with Enk.

Nearly every man originally in command in the 22nd Regt Ga Vol. has resigned, or been killed, and hence I cannot now supply the defective vouchers. I hope the ones that I have sent to the Quar Master Genl's Office on the 29th Aug last will be sufficient.

At the same time I furnished the number of men in each Company so far as I was able to do so from the data then in my possession viz No 1. 91. No 2. 87. No 3. 77. No 4. 84. No 5. 68. No 6. 64. No 7. 69. No 8. 80. No 9. 73. No 10. 71. inclusive of commissioned officers.

The statement accompanying your letter represents

me as being due the Confederate States \$1437.28
I am at a loss how I am to correct the voucher, to
meet this claim.

I can understand that I must cover the interest
paid by me on money borrowed for the Confederate States
this sum is represented in Voucher No 22 & 31 abstract to
amounting to the sum of \$670.23
The error in calculation in Voucher 19 abstract to 5.00
My Hotel Bills on Voucher No 7. Abstract to 11.75
L. C. Minn's acct 8.00
This last item I ordered to Dr Mrs Belle L. Minn
affidavit. to prove that she was ordered in that
Office to pay the account.

But I can not understand why I am charged
with the whole of L. D. Kallert's acct of \$333.55.
which is ~~absolutely~~ ^{in fact} the only amount in the acct for
articles disallowed (Sawt, Coffee Mills, Tin Buckets,
Coffee Pots, Tin Pans, and Sifters) is

Voucher No 26 Ab. C. J. S. Hurdless acct for \$242.44
when for disallowed articles there is charged only 5.90
Voucher 32 Ab. C. Wm Brown's acct for \$434.25
while the articles in the acct. disallowed. amount only to 6.25
Voucher 36 Ab. C. John Gilson's acct for \$253.15
while articles disallowed amount only to 20.00

These items amount in the aggregate to 6.00
And this sum though paid for the Government
in good faith. I am ready to pay over to whomever may
be designated and authorized to receipt for.

I take it for granted that I am not required to pay an
account of over four hundred dollars. because some things
dollars of the amount was for articles I was not authorized to
issue to the man. (however much they were necessary) and that I
will only be held liable for the cost of such articles as are dis-
allowed by the Auditor Genl. or by the Army Regulations.

Pouchon's photograph C 12m 1862, was not returned to me
in the package accompanying your letter. I can however ^{supply} that
with my own photograph. It is signed.

Pouchon's photograph is signed by me. I shall

before they are returned

to close up my accounts
thoroughly and shall esteem
it will give me much in-
formation to do so promptly.

Sir

I respectfully ask of accompanying my Quarterly return & account Current with this explanatory letter

To make my accounts intelligible I found it necessary to include all the Cash transactions, during the last quarter in this one account, which I trust will meet Your approbation, though it may be a departure from the strict letter of the Regulations

It will be perceived also that I have embraced in my account Current & Quarterly returns, the transactions of the whole period from the Organization of the 22nd to Regt. 31 August 1861 to the 31 Decr 1861. This is partially attributable to my ignorance of the Military divisions of the year. Untill the latter part of November I supposed the first three months of my official acts in connection with the Regt would constitute a quarter. While the Regt was in Richmond in Nov last I discovered my error, and so long time having passed since the end of the 3rd Quarter and the Regt being in the act of moving, I concluded to make up this present return to cover all my transactions, hoping You would make allowance for the difficulties of a Regimental Quarter Master

In moving and building Winter Quarters my time has been so much occupied, that I have been unable to make up my returns at an earlier day, and even now I fear there may be some defects in them, but I trust they will be understood, and therefore satisfactory to the department.

Finding no form for the purchase of Camp Equipage &c. I have used Abstract, C, for that purpose, and hope it will answer the desired purpose

Yours obt

Sir

Herewith I forward my Comptrol
Vouchers to my claims for the 1st Quar-
ter 1861 as I have been able to procure
with explanatory remarks on each.

I desire to add further, that while I am
aware that the issues of Camp & baggage by me
were not strictly in accordance with the Regu-
-lations, I have observed that few (if any) Quar-
-termasters have followed the Regulations in issu-
-ing Camp & baggage. I know this is no justifi-
-cation to me, but I am informed that in
other cases where issues have been made in good
faith, and for the interest of the Service the
Department has allowed the accounts: if this be
so, I hope to meet with the same liberal policy.

Two items in my account for the purchase
of money as interest to the East Road Bank
are noticed as "had misceable" It seems to me
that simple justice requires that these amounts
shall be allowed me in some form. The money
was borrowed in good faith by the advice of
Geo Brown, to buy articles absolutely necessary
which could not be procured without funds, and

and as soon as I could procure the funds from the Government the amount was repaid, but in the mean time this interest had accumulated.

Having resigned my position on 22nd Mar of the 22nd Regt. it is important to me to be advised as early as possible what amount (if any) of my accounts are finally rejected. I respectfully ask that this information may be communicated to me as early as the business and rules of the Department will allow.

Explanatory remarks
accompanying Connected
Vouchers to the turn
for 4th Quarter 1864

Sir

Dalton Ga 29th August 1862

By a communication from your Department dated 31 July. my attention has been called to "Remarks" made on my "Money & property returns for 4th Quarter 1861."

I herewith forward. Corrected Vouchers so far as I have been able to procure them To wit Vouchers No 3. 5. 7. & 13. Abstract A.

(Voucher No 14 of this Abstract. though not precisely in form certainly shows I paid the money as Quarter Master)

Vouchers No 1. 2. 7. 8. 10. Abstract. B. are corrected

(Voucher No 16 I have been unable to supply J. & Williams

was Agent of the Road. And too small to hunt him up

at this late period. Voucher No 21. I was instructed in

the Quarter Master Genl's Office to pay this account pre-

cisely in the form it stands. of which fact I will

forward an affidavit of E. E. Winn as soon as I can

see him. he went with me to the department, & present-

ed the account & I was ordered to pay it and

instructed how it should be made out)

Vouchers No 1. 2. 3. 4. 5. 6. 7. 8. 9. 10. 11. Abstract C are all corrected.

In explanation of Voucher 22. & 31. I can only say on the 11th of August 1861 I was informed by Gov Brown that upon his recommendation I had been appointed Quarter Master of one of four Regiments of Ga Troops then ordered into Camps of instruction. Being without funds. and remote from any Quarter Master's Dept where supplies could be procured. Gov Brown advised me to borrow money to purchase. Tent, Camp & Garrison

Expenditure. Blankets &c. and gave me a letter of
Credit to the New Rail Road Bank for Twenty Thousand
dollars. \$5000. for each of the four Regts. I used five
thousand dollars of the money, and as soon as I
procured funds from the Government, I refunded
the amount to the Bank with the interest. mentioned
in these two Vouchers. I made an estimate at once
& forwarded it to Richmond and procured the funds
as soon as it was in my power. Now though I
had no authority to borrow money for the Government
what I did was done in good faith, and surely it
can not be contended that I ought to leave the ac-
count of interest thus paid for the Government.

In relation to Vouchers 24, 25, 32, & 36. I can only
say I issued these Vouchers to the men before I had
seen the Regulations, and because I knew such
had been issued to other Regiments raised in Georgia
and that they were necessary for the health and com-
fort of the men. And though the issues were not in
strict conformity to the Regulations, the cost to the Govern-
ment was actually no greater than if the Regulations
had been strictly followed.

By reference to Abstract H. Property Return & accom-
panying Vouchers 1 to 10 inclusive. You will perceive
that I was ordered by the Col in Command to make
such issues as I did. If I understand the Regu-
lations, this at least protects me.
Voucher 35. Stacy was Clerk for Name, what kind
of Authority is required.

No 1. 91 Men No 2. 97. No 3. 77. No 4. 84 No 5. 68. No 6. 64

Gentlemen,

The President
has received your letter of March 9, and
directs me to express to you his deep
sense of the importance of regular and
earnest religious instruction and
consolation to our brave soldiers. He
does not presume to doubt the necessity
of Chaplains in full number, and knows
no bar to the promotion of such
from the ranks. On the other hand,
he considers the spirit which prompts
ministers to volunteer as privates in
the ranks and serve their country in
so glorious and trying a position as
an earnest of their fitness for the duties
of Chaplain, where knowledge of the
swords as well as zeal for the good
of the soldier is required. The presence
of a large number of these devoted men

I have the honor to request that Capt. Michael
Haley A. G. M. of the 13th Louisiana Regiment
be appointed Brigade Quartermaster for my
Brigade with the rank of Major to date from
the 1st May 1863. Since which time he has been

Louisiana. Aged thirty six years, and entered
the Service April 15th 1861.

J. H. Henshaw was appointed A. G. M. with
the rank of Major at my request & was ordered
to report to me, but was put on duty with
Lt. General M. J. Harker which fact I was
promised should be notified to the Secretary of

by law, which I presume has been done.

A communication of the same import
as this, I wrote & forwarded through the
channels of Genl. Joseph E. Johnston's Army when
in Mississippi in July last with my Command,
but it seems it was lost or miscarried.

Mr J. B. Hamrah was under instruction
— military and academic — at this Institution six
or eight months. His habits are good, deport-
ment gentlemanly, and attention to duty
commendable.

He received instruction in the school of
the Squad, Company and Battalion, interior
police & discipline, and is familiar with
the forms of guard duty and duties of
Officer of Guard and sentinels. I think
he will be found to be a competent com-
pany officer, or drill master.

Respectfully

Comd'g Cadets V.M.I.

From who I know of the above soldier, who has
been a member of my company since last November.
I readily endorse what is above said as to his
competency to make a drill master; and I take pleasure
in fully endorsing what is said of him as a Soldier
and as a young man of gentlemanly deportment,
diligent & sober; and therefore take pleasure in
such an appointment.

Surge H. H. I further declare my belief he will not be able to resume his duties in a less period than thirty days. I therefore recommend that his application be granted as in my opinion a relaxation from duty would materially hasten his recovery.

Sir:

I have the honor
herewith to tender my resignation as surgeon
in the Provisional Army of the Confederate
States.

I find myself incapable of performing
the duties imposed in active field service,
in consequence of confirmed dyspepsia,
which has rendered me more or less an invalid
since childhood; and I do not wish to
retain the rank, and receive the pay of Surgeon
without being able to render the services required.

Trusting that I may be enabled to serve
my country in some other capacity where
my services may be more useful
I remain,

Most Respectfully,

Sir

I have the honor to enclose the certificate of the members of the Board of Survey, appointed to appraise the house at St. Morris' Island.

The Government did not furnish lung forage for the private horses on Morris Island, and the animals were obliged to be turned out to graze. My horse was loose when the Enemy began the assault on the morning of the 16th of July last; and he could not be caught; therefore even if an opportunity had been afforded, he could not have been got off by any effort on my part.

He was taken up by the enemy; and my trappings were also left in their hands. I have therefore to request that the Government pay me, at once, the amount at which said horse and trappings were valued.
